

A PLAN FOR THE NEXT FOUR YEARS

- 1 Invest at least another £50m in improving our roads and pavements.**
- 2 Continue to prioritise safeguarding of vulnerable children and adults whilst providing care of our elderly who are unable to help themselves.**
- 3 Improve people's lives and health, working closely with our local NHS.**
- 4 Ensure all our children receive an excellent education.**
- 5 Continue to cut overheads, increase income and maintain a balanced budget.**

BARBARA GIBBS

A local choice for Gerrards Cross

'I am both delighted and honoured to have been selected to stand for the County Council in the Gerrards Cross division which includes Hedgerley and part of Old Beaconsfield.

For the last two years I have served on SBDC as an active member of three Committees, Planning, Audit and Overview and Scrutiny where I have used my extensive experience to try to gain the best outcomes for local residents.

I am very active in the local community where I am the Chairman of the Gerrards Cross Conservatives. I am a member of Misbourne Matins Rotary club where I serve as the Safeguarding officer. I am an enthusiastic member of Rotary and support many activities including helping at the Gerrards Cross Jumble sale. I am on the Governing body of Beaconsfield High School.

I am interested in ensuring that the quality of life for residents is maintained and if possible enhanced. For this to happen, particularly when funding is tight, new solutions to existing problems need to be found. Continuing to build on the self confidence and therefore resilience of all is surely part of the way forward. If elected I will be a strong advocate for reevaluating existing practices, preserving what is effective but looking for fundamental change where appropriate.'

My priorities for Bucks are:

- ✓ To fight for money for essential infrastructure including roads and pavements
- ✓ To work to build a more self confident and resilient community
- ✓ To ensure that we have the best education for our children
- ✓ To encourage the provision of modern apprenticeships so that local businesses have an appropriately skilled workforce
- ✓ To look for innovative ways to solve local problems thus ensuring value for money
