

A PLAN FOR THE NEXT FOUR YEARS

- 1** Invest at least another £50m in improving our roads and pavements.
- 2** Continue to prioritise safeguarding of vulnerable children and adults whilst providing care of our elderly who are unable to help themselves.
- 3** Improve people's lives and health, working closely with our local NHS.
- 4** Ensure all our children receive an excellent education.
- 5** Continue to cut overheads, increase income and maintain a balanced budget.

LUISA SULLIVAN

A local choice for The Ivers

'Bucks County Council elections are upon us and I appreciate your time and this opportunity to write to you as your opportunity to vote approaches.

Why I should be your County Council representative for The Ivers...

The role of a County Councillor is predominately that of a communicator. Being able to engage with all residents and community groups and balancing the needs and interests of residents, with council policy and its services at all council tier levels.

I have been active in the community for many years, and have built solid relationships with many of our community groups.

Over these last 25 years you've given me an insight and understanding of how our local community feels about their environment, its needs, its development and growth and aspirations for our younger generation.

There are many developments and projects happening in The Ivers. Alongside these, we need to plan for more community facilities, develop the road network and address the congestion problems.

We need to balance the need for housing, with affordable and cost saving initiatives like shared equity and self build opportunities, alongside protecting our precious Green Belt and open spaces.

A tall order and this task requires your County Council representative to hold integrity, honesty and rational level thinking, to be an effective communicator, negotiator and team member, able to work with different local authority tiers and in partnership with other organisations to deliver positive outcomes for our community.

I believe I have these qualities and ask for your vote in this May 4th election.

If you would like to speak to me or have any questions or concerns, please contact me.'

Luisa's Priorities for Bucks:

- ✓ Working on traffic calming measures and effective junction restructuring, to keep traffic moving.
- ✓ Innovative new housing schemes are required for young people and young families to reach the property ladder.
- ✓ Protecting our environment and increasing recycling rates and working in partnership to prosecute fly tipping offenders.
- ✓ I will continue to work with police to address anti social behaviour, prevent crime and reduce fear of crime.
