

LOCAL MUM to contest LOCAL ELECTION

LUISA SULLIVAN

Luisa lives in Slough Road, Iver Heath and is married to Michael. They have lived in Iver Heath for 20 years and have three daughters, all of whom have attended local schools.

The alternative Candidates are a Liberal Democrat from Gerrards Cross and a Ukip member from Denham. What Iver Heath District Council seat has to do with Europe is a mystery to us. Labour hasn't bothered.

This by-election has been called following the resignation as Iver Heath Ward Councillor by Julian Wilson who is standing down for personal reasons.

Julian has served as a Parish or District Councillor for 20 years and for 10 years was Chairman of Iver Parish Council.

Local residents owe Julian a debt of thanks for the considerable work he has put into serving Iver Heath over these years and our thanks go to him.

Local Conservatives have selected LUISA SULLIVAN as the Conservative candidate for the Iver Heath by election to fill the vacancy for a South Bucks District Councillor on THURSDAY 14th JUNE.

Luisa says, "I have been an Iver Heath resident for 20 years moving here from Ealing with my husband and baby daughter. I have been working with BA for 22 years in various roles and during this time I have also brought up three children.

All three have progressed happily and safely through Iver Heath Infant and Junior Schools, the eldest have gone on to further education and my youngest is still attending Iver Heath Junior.

Like many of you, through our children my husband and I have taken an active part in the community supporting the children through local guides, brownies, gymnastics and drama clubs over the many years.

I am currently a volunteer for two charity organisations: Hillingdon MIND and Victim Support.

I feel I have the experience of dealing with people and knowledge of the local area which qualify me to serve you as your District Councillor and I ask for your support on **THURSDAY 14th JUNE.**"

LOCAL SCHOOLS

"I think our local schools are great and whatever the recent problems I know they have great support from the local community in Iver Heath. I unsuccessfully stood for election as parent governor at the Iver Heath Junior School attempting to give something back in return for what my children have received over the years.

If elected as your District Councillor I would continue to support the schools in any way possible."

GOOD NEWS ...

Pinewood & the Green Belt

LOCAL RESIDENTS along with local councillors and Rt Hon Dominic Grieve QC, MP all stood up to oppose the massive threat posed to the Green Belt by Project Pinewood and were successful.

Well done and thank you to everyone who wrote letters, delivered leaflets, put up posters and attended the Public Inquiry a year ago to voice opposition to this massive housing scheme in Iver Heath.

South Bucks District Council spent a significant sum to employ a barrister to represent the local residents and Dominic Grieve MP took time out from his heavy schedule to attend and speak at the Public Inquiry to oppose the application.

Rumours of an application to build a theme park on the same land have been spread. Was that an April Fool joke or real we don't know? But any developer should know this: **Iver Heath residents will stand up and speak out to protect its Green Belt from unwanted attention.**
